

COUPON POLICY

1. Manufacturer coupons with a face value of .50 or less will automatically be doubled, except for those issued on items advertised in our weekly flyer or our website.
2. Manufacturer coupons with a face value over .50 but under 1.00 will automatically be given credit up to 1.00, except those issued on items advertised in our weekly flyer or our website.
3. No coupons will be accepted after their expiration date.
4. All coupons are limited to one per item.
5. Coupons are accepted only on items we have in stock, no substitutions.
6. No cash back will be given on coupons.
7. Coupons that appear to have been “pattern” or “batch” cut will not be accepted.
8. All transaction totals must be equal to or greater than the total purchase requirement on any or all coupons.
9. All internet coupons must scan through our register system.
10. We will not accept internet coupons that exceed \$3.00 in face value.
11. We will not accept internet coupons for free items that do not require an additional purchase.
